CONTEMPORARY ISSUES IN THE MIDDLE EAST

**COMPARATIVE POLITICS
OF NORTH AFRICA:
ALGERIA, MOROCCO, AND
TUNISIA**

John B. Entelis

There has long been a need for an up-to-date, introductory historical overview of the three Maghrib countries. Entelis systematically discusses each country's political culture and ideology, political structures, political economy, and foreign policy. He also provides a general demographic profile of the area and assesses the differing modes and consequences of European colonial penetration.
